Garmin Mobile[™] 10

GARMIN

Perfect for mobile executives and sales

professionals, Garmin Mobile 10

Wireless navigation for your mobile device

adds full-featured GPS navigation capabilities to your laptop or PDA. And the best part is - no cables or plug-in receivers thanks to embedded Bluetooth® wireless technology. Includes the best mapping software available, so you can get accurate turn-by-turn directions and voice prompts to millions of destinations and addresses throughout North America. Comes with versatile belt clip for use in vehicle or when you're navigating on foot. Garmin Mobile 10. Now you're going places — with no strings attached.
