

Life on the go just got more
manageable. Thanks to the new

PDA and GPS: Power in the palm of your hand.

iQue® 3000. It combines Palm Powered™

PDA features with Garmin's exclusive

Que™ technology – for complete

integration of your favorite organizer

functions (calendar, contacts, to-do list,

etc.) with moving-map GPS navigation.

Now your Palm® can pilot you directly to

any address or appointment, with

turn-by-turn directions and 3D

electronic map cues. If you miss a turn,

the GPS will even recalculate your route

and re-estimate your time of arrival. The

Garmin iQue® 3000. Navigating your day

doesn't get much simpler than this.

PocketMirror™

Internal system

Operating system: Palm OS 5.2.1
Embedded capabilities: GPS, infrared communication
Audio hardware: built-in speaker for voice-guidance commands
Processor: 200 MHz ARM 9
