The software embedded in your Garmin product (the “Software”) is owned by Garmin Ltd. or its subsidiaries (“Garmin”). The third-party map data embedded in or accompanying your Garmin product (the “Map Data”) is owned by NAVTEQ North America LLC and/or its affiliates (“NAVTEQ”) and is licensed to Garmin. Garmin also licenses information, text, images, graphics, photographs, audio, video and other applications and data from third-party data providers (“Third-Party Content Data”). The Map Data and Third-Party Content Data are collectively the “Data”. Both the Software and Data are protected under copyright laws and international copyright treaties. The Software and Data are licensed, not sold. The Software and Data are provided under the following licence and are subject to the following terms and conditions which are agreed to by the End User (“you” or “your”), on the one hand, and Garmin and its licensors (including their licensors and suppliers) and affiliated companies on the other hand.

IF YOU DO NOT AGREE, RETURN THE COMPLETE PRODUCT WITHIN 7 DAYS OF THE DATE YOU ACQUIRED IT (IF PURCHASED NEW) FOR A FULL REFUND TO THE DEALER FROM WHICH YOU PURCHASED THIS PRODUCT.**

## **Licence Terms and Conditions**

Garmin (“we” or “us”) provides you with storage media containing the computer Software (the “Software”) and the embedded or accompanying Data, including any “online” or electronic documentation and printed materials (together called the “Product” for purposes of this Licence Agreement), and grants you a limited, non-exclusive licence to use the Product in accordance with the terms of this Agreement. You agree to use this Data together with the Garmin product solely for personal use, or if applicable, for use in your business’ internal operations and not for service bureau, time-sharing, resale or other similar purposes. Accordingly, but subject to the restrictions set forth in the following paragraphs, you may copy this Data only as necessary for your use to (i) view it and (ii) save it, provided that you do not remove any copyright notices that appear and do not modify the Software or Data in any way. You agree not to otherwise reproduce, copy, modify, decompile, disassemble, reverse engineer or create derivative works of any portion of the Product and you may not transfer or distribute it in any form, for any purpose, except to the extent permitted by mandatory laws. Garmin also reserves the right to discontinue offering any Data

supplied by any third-party supplier if such supplier ceases to supply such content or Garmin's contract with such supplier terminates for any reason.

**Restrictions.** Except where you have been specifically licensed to do so by Garmin and without limiting the preceding paragraph, you may not use this Data with any products, systems or applications installed or otherwise connected to or in communication with vehicles and which are capable of dispatch, fleet management or similar applications where the Data is used by a central control centre in dispatching a fleet of vehicles. In addition, you are prohibited from renting or leasing the Data or the Garmin products containing the Data to any other person or third party. Only those hire car companies that are specifically authorised by Garmin in writing to rent Garmin products containing the Data to their rental customers are permitted to rent out such products.

**nüMaps™ Lifetime.** If you purchase a nüMaps Lifetime subscription (sold separately), you will receive up to four (4) Map Data updates per year, when and as such updates are made available on Garmin's website, for one (1) compatible Garmin product until your product's useful life expires or Garmin no longer receives Map Data from NAVTEQ, whichever is shorter. The updates you receive under the subscription will be updates to the same geographic Map Data originally included with your Garmin product when originally purchased. In some instances, your Garmin product might not have sufficient memory remaining for you to load an update to the same Map Data originally included with your Garmin product, in which case you will need to either (a) select reduced Map Data coverage for your updates or (b) purchase separately a microSD card or an SD card (as applicable to your Garmin product) and load all or a portion of the Map Data coverage for your updates to the card and insert the card into the microSD card or SD card slot contained in your Garmin product. Garmin may terminate your nüMaps Lifetime subscription at any time if you violate any of the terms of this Agreement or your subscription. Your nüMaps Lifetime subscription may not be transferred to another person or another Garmin product.

GARMIN'S AND ITS LICENSORS' TOTAL AGGREGATE LIABILITY WITH RESPECT TO ITS OBLIGATIONS UNDER THIS AGREEMENT OR OTHERWISE WITH RESPECT TO THE GARMIN PRODUCT OR THE DATA SHALL NOT EXCEED \$1.00.
